SRF Child Protection Policy

Definitions

- ❖ **CHILD** - Every human being below the age of eighteen years either it is boy or girl are called child.
- ❖ **CHILD ABUSE** - Child Abuse means all the abuses related to children either it is sexual, physical, emotional or mental abuse.

For whom this policy is made

Every SRF associate will be abide to follow this policy, either he/she is Board member, Staff member, Volunteer, Resource Person, Consultant or Photographer etc.

Purpose

As a Child Right based organization, SRF does not tolerate Child Abuse. Its expectation that its associates have vision to work towards children's best interest. The aim of this policy is to prevent the children from any kind of abuse and ensure child friendly environment by SRF associates.

Policy

- ❖ As a Child Rights based organization SRF is committed to actively prevent the children from any type of child Abuse
- ❖ SRF aware and provides guidelines to the entire associate at the time of their association to ensure child Protection at every level i.e. during the travel, while interaction with visitors or outsiders, during their participation at various program activity.
- ❖ Through regular follow up & close monitoring it ensure by SRF
- ❖ SRF can take action against any person who found as a culprit

Ensuring Child Data Protection

- ❖ SRF Associates should not disclose the information & photograph of children to unauthorized person or make it available to the general public without the informed consent of family.

Ensuring Protection during travel

SRF Associates should ensure the protection of children when they are going outside:

- ❖ SRF team should take proper consent of their parents and fill the consent form properly.
- ❖ During the exposure one female SRF Associate should be available with them. In any case if she is not available with them, then one female care taker who will be senior among the children group are authorized as responsible person as a care taker.
- ❖ During the travel they should keep First Aid Box and sanitary pad with them.
- ❖ Travel Insurance must be done of each children

Ensuring protection at the time of interaction with Visitors

SRF Associates should keep eyes before the arrival of any visitors and while interacting with them:

- ❖ SRF Associates should have detail information about the visitor /sponsors
- ❖ They should not permit sponsor to meet the SC child outside the community
- ❖ They should aware them about the local culture to greet the community members
